

CLAYTON & COMPANY

THE ART OF INTERIORS

Furniture Packages

Designed to Inspire and Sell

Transform your Property with Effortless Style

Discover the Wharf and Mendip Collections.

Whether you're furnishing a show home, a rental property, or your own new home, Clayton & Company offers a complete, design-led solution.

Our professionally curated furniture packages make interior styling effortless - saving time, reducing costs, and creating beautiful, market-ready spaces that enhance every property's appeal.

Each collection has been designed by our interior design team to deliver a cohesive, stylish finish, with quality and value at its heart.

Choose from our Wharf or Mendip packages, then scale the design to suit any property, from a city apartment to a family home.

Starting from £2,995, each package includes furniture, accessories, and delivery, with optional upgrades for window dressings, additional soft furnishings, artwork, and lighting.

How It Works

A simple seamless process
from concept to completion

We make furnishing your property fast, easy, and cost effective.

1. Choose Your Collection

Select the Wharf or Mendip collection to suit your property's style and budget.

2. Advise Us of Your Property Size

Packages are available for all property sizes and can be customised with optional upgrades to enhance your look.

3. Customise & Confirm

Choose optional accessories or colourways, and we'll provide a tailored layout and proposal.

4. Delivery & Installation

Once approved, our installation team delivers and installs everything within an agreed timeframe.

The Wharf Collection

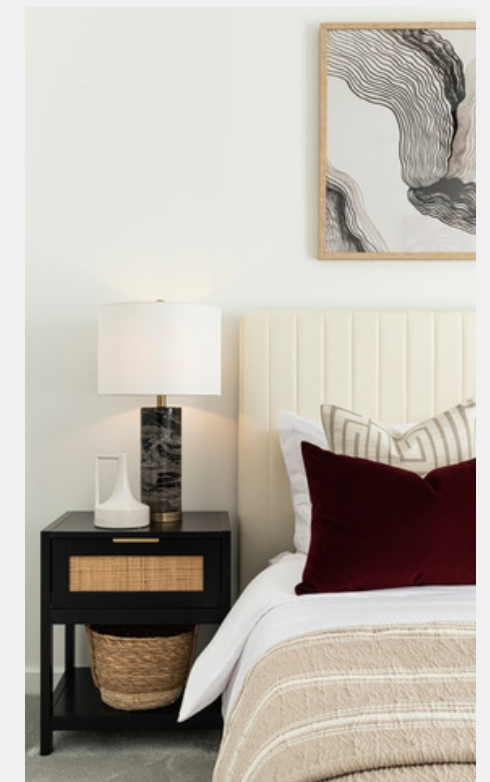

Modern, Minimal, Urban.

Crafted for contemporary living, The Wharf Collection embodies clean confidence - refined neutrals, tactile finishes, and crisp silhouettes designed to make the most of modern city spaces.

Perfectly suited to city apartments, modern developments, and investor properties, Wharf interiors feel effortlessly curated - stylish, practical, and timeless.

Each piece has been chosen for its durability, design integrity, and enduring appeal.

Whether it's a one-bedroom apartment or a multi-unit scheme, Wharf packages scale seamlessly, creating a consistent and professional finish throughout.

The Mendip Collection

Relaxed, Refined, Timeless

Drawing inspiration from natural textures and soft, harmonious tones, The Mendip Collection celebrates warmth, comfort, and a sense of home.

It's the ideal choice for family homes, boutique developments, or countryside properties where character and calm matter just as much as quality.

Thoughtfully layered materials, warm woods, and tactile fabrics give Mendip interiors an inviting depth - relaxed yet elegant, stylish yet understated.

Designed to stand the test of time, each element complements the next to create a cohesive, lived-in look that appeals to today's buyers and renters alike.

Our packages can be scaled for property size and layout, with optional upgrades available to personalise your space further.

Bespoke Design Services & Additional Offerings

At Clayton & Company, we go beyond furniture. Our in-house team in Somerset can elevate your interiors with custom-made details that bring individuality, comfort, and cohesion to every space. Each of our furniture packages can be adjusted for property size, layout, and personal style preferences. Optional add-on packages include window treatments, artwork, and bespoke soft furnishings.

Window Dressings

We offer blinds, curtains, or a combination of both, expertly measured, designed, and installed by our team.

Choose from a wide range of fabrics and finishes to perfectly frame your interiors. By managing every step in-house, we ensure a unified, made-to-measure result that completes your scheme.

Artwork, Lighting & Styling

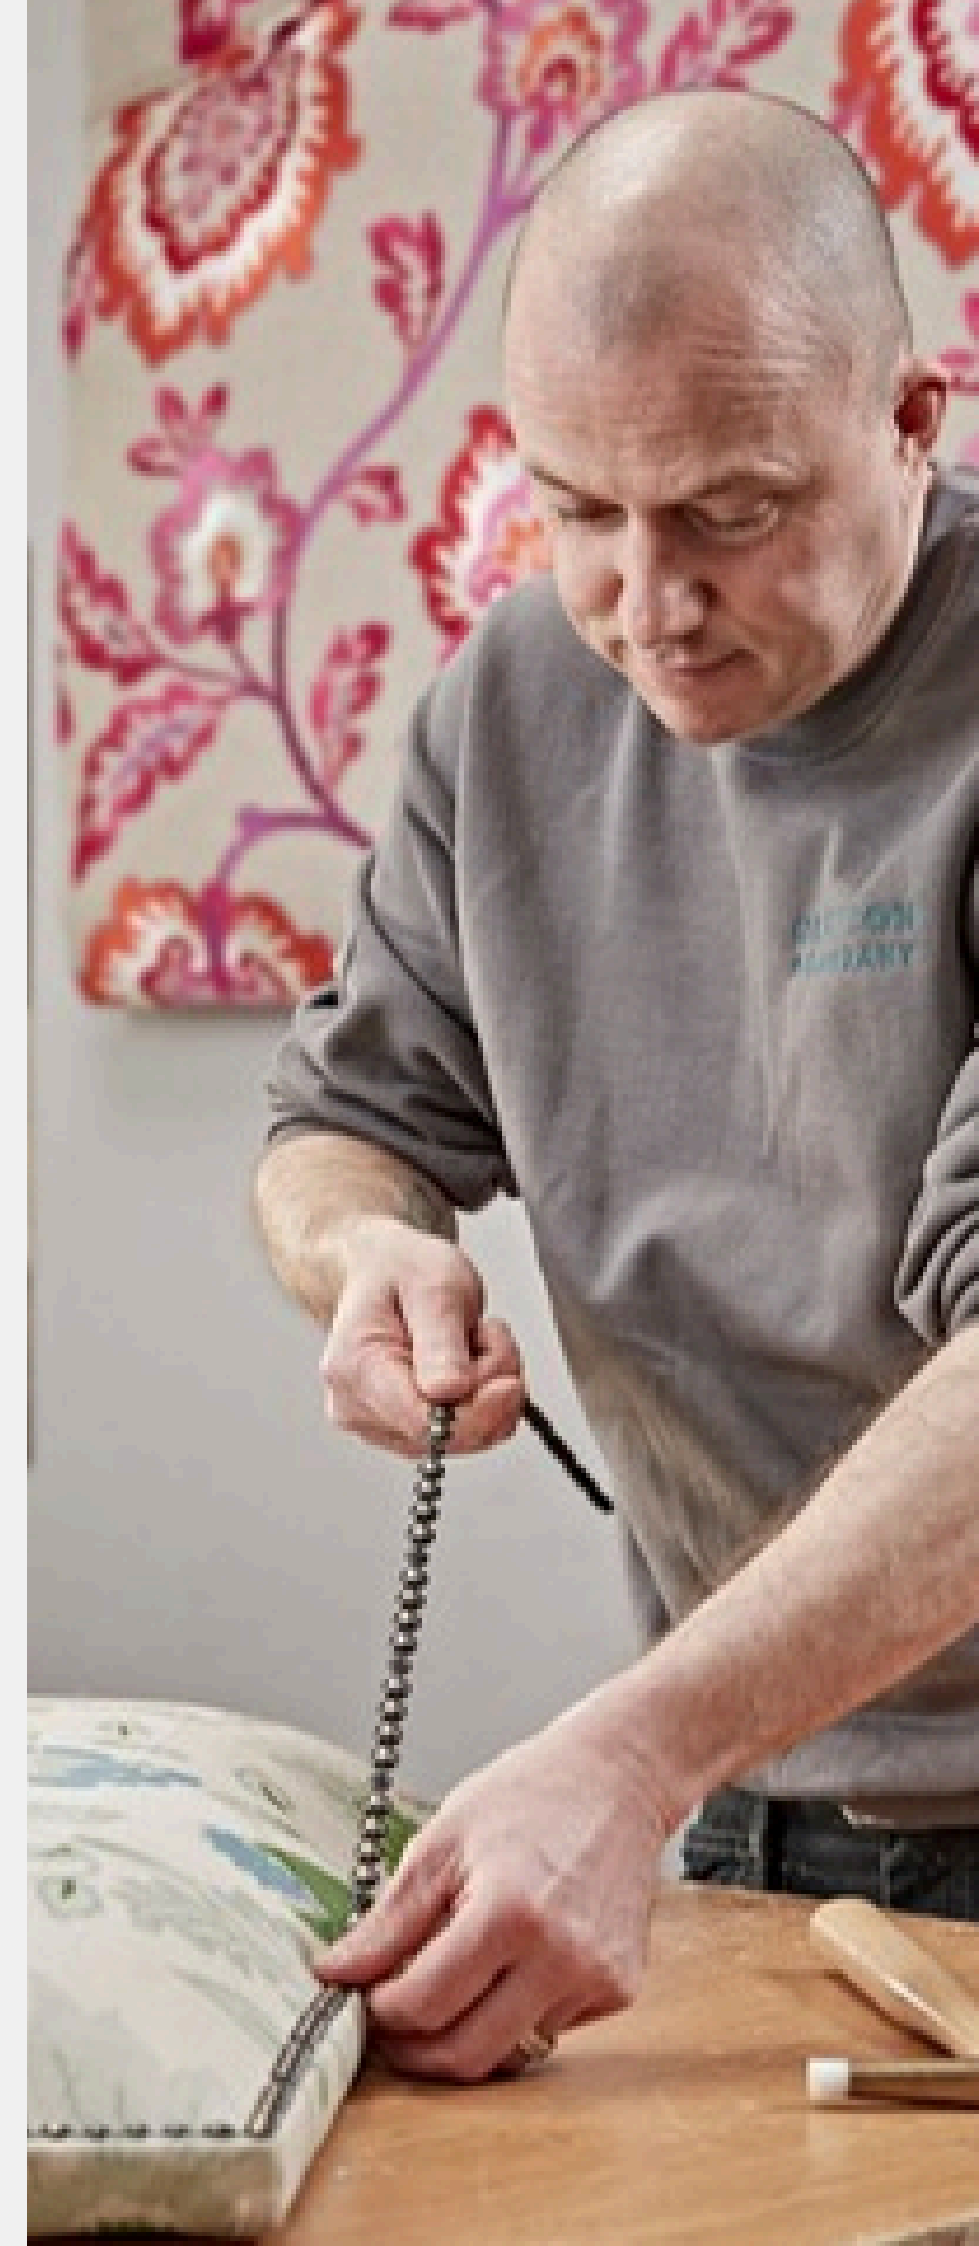

For a truly show-home finish, our design team can recommend complementary artwork, lighting, and accessories to enhance the mood and character of your space.

Soft Furnishings & Accessories

Enhance texture and depth with our thoughtfully sourced fabrics and finishes, from soft boucles, and textured linens to rich timber grains and marble accents.

Our extensive supplier network ensures flexibility, whether you choose from our curated materials or provide your own. Each piece is styled to complement your chosen Wharf or Mendip Collection, creating a truly cohesive look.

Each upgrade option can be added to your chosen package, offering flexibility without complication, the perfect finishing touch for any property.

Why Choose Clayton & Company

Design-led. Dependable.
Distinctly British.

Over 40 Years of Expertise

Trusted by developers, landlords, and private clients, we bring proven craftsmanship, reliability, and design knowledge to every project.

Design-Led Solutions

Packages created by professional interior designers who balance style, function, and value to help properties sell or let faster.

Complete In-House Control

With all design, workshop, logistics, and project-management teams based in Somerset, we oversee every stage for quality and on-time delivery.

Exceptional Value & Durability

Every item is selected for comfort, craftsmanship, and longevity, offering lasting appeal for developers and investors.

Ready to Transform Your Property?

Whether you're developing, investing, or moving in, our furniture packages offer an effortless, turnkey solution, tailored to your style, budget, and timeline.
